## Section 1 - Pick one Package Type

The **Bronze** package is our “custom cut” Bone-In package. It consists of a balanced mix of multiple muscle roasts and steaks. This package will deliver the highest take home yield. Carcass is dry aged for  $\geq 7$  days.

The cost of the **Bronze** package is **\$1.20 / lb. on hanging weight**  $\longrightarrow$

The **Silver** package is our combination custom/retail style package. This is a great package for a customer who would prefer boneless cuts and have their cuts more refined to a commercial standard. Steaks and roasts are tied or netted for functionality. Carcass is dry aged for  $\geq 14$  days.

The cost of the **Silver** package is **\$1.30 / lb. on hanging weight**  $\longrightarrow$

The **Gold** package is our premium retail style package. It contains the most boneless cuts and highlights the unique characteristics of individual muscle groups. Non-choice steaks are mechanically tenderized. Steaks and roasts are tied or netted for presentation. The Gold package carcass is aged for  $\geq 14$  days, and the long loin (Rib loin, Striploin, Tenderloin and Sirloin) is aged for an additional week. Steaks are sealed in black-back vacuum bags.

The cost of the **Gold** package is **\$1.60 / lb. on hanging weight**  $\longrightarrow$
